

**THE INTERNATIONAL CONFERENCE OF PHD STUDENTS IN LAW AND LAW STUDENTS**  
**VII<sup>TH</sup> EDITION**  
**TIMISOARA, MAY 15<sup>TH</sup> 2015**

Dear Dean,

Dear PhD Advisor,

The Doctoral School of the Faculty of Law within the West University of Timișoara, in cooperation with the European Centre for Legal Studies and Research of Timișoara, organises the International Conference of PhD Students in Law and Law Students – the seventh edition – in Timișoara, on May 15<sup>th</sup> 2015.

The aim of the event, the only one of its kind in Romania, considering the number of participants and its academic rigour, is to give an impetus to PhD students in law to promote their research, by facilitating the publication of their results, as well as to establish a good cooperation between the participating faculties and doctoral schools.

PhD students from the most prestigious national and European faculties of law are invited to take part in the conference. The conference volume will be published by a recognised publisher in Romania (*Universul Juridic*), which guarantees its highly academic and graphic contents and will be handed to the participants on the occasion of the event. At the same time, the volume will be sent to the libraries of the participating faculties.

The papers may be written in Romanian or English. The papers sent for publication must be approved by the PhD scientific advisors.

We are honoured to hereby send you the invitation and the participating form for the conference, comprising further organisational details.

We kindly ask you to disseminate this information among your PhD students.

Our kindest regards,

Dean,  
Prof. Lucian BERCEA, PhD
