

## Marie Skłodowska-Curie Initiative of the Field of Excellence Climate Change Graz at the University of Graz (Austria)

***You are a highly qualified and motivated PostDoc or have at least four years of full-time equivalent research experience and are looking for funding to do research abroad? You want to be part of an aspiring research environment on the global challenge of climate change?***

***If so, consider to apply for a Marie Skłodowska-Curie Actions Individual Fellowship to join our research in the Field of Excellence 'Climate Change Graz'!***

Climate Change Graz is a Field of Excellence at the University of Graz with over a hundred researchers investigating climate change, societal and environmental impacts and the economic, production-related, social, political and legal changes that are necessary for a just and sustainable transformation.

Please check out our Website at <https://climate-change.uni-graz.at/en/> for details on our research agenda and the research profiles of the members of Climate Change Graz.

Climate Change Graz invites outstanding young researchers to take advantage of our support for developing a research proposal for the 2020 Call **Marie Skłodowska-Curie – Individual Fellowships – Standard European Fellowships** (MSCA-IF-EF-ST).\*

This fellowship programme supports researchers for a full time period between 12 and 24 months. Applicants must fulfill the following eligibility criteria:

- You have not lived in Austria for more than 12 months in the past 3 years prior to the deadline
- You are an “experienced researcher” (PhD or at least 4 years of full time research experience).<sup>†</sup>

Eligible Applicants are invited to apply at the Field of Excellence Climate Change Graz by sending us ([harald.stelzer@uni-graz.at](mailto:harald.stelzer@uni-graz.at)) any time before June 15<sup>th</sup> 2020:

- A detailed curriculum vitae (including list of publications);
- A document including both:
  - a cover/motivation letter detailing research interests and experience (max 1 page);
  - an abstract of the MSCA research proposal (max 1 page).

The candidates will be selected by the Principal Investigators of The Field of Excellence Climate Change Graz by the end of June 2020. The selected candidates will be supported by a mentor as well as the research management unit in the development of their project proposals for the Marie Skłodowska-Curie European Fellowship.

Proposals must be submitted to the European Commission by September 9<sup>th</sup>, 2020 – h. 17.00 CET.

For further questions please contact the research manager of Climate Change Graz, Harald Stelzer ([harald.stelzer@uni-graz.at](mailto:harald.stelzer@uni-graz.at)).

\* More information on the Marie Skłodowska-Curie Individual Fellowships is available on the [EU-MSCA Web Site](#).

<sup>†</sup> All requirements of the H2020 MSCA-IF programme ([See Guide for Applicants](#)).
