

Koordinationsstelle für
Geschlechterstudien und Gleichstellung
der Universität Graz

Seminar, 07.-08.05.2024

Strategic career planning for female* predocs

Target group: Female* master students and alumni who finished their master or diploma degree from all four universities in Graz (University of Graz, Graz University of Technology, Medical University of Graz and University of Music and Performing Arts Graz) who aim to write their dissertation and continue their career path at university.

Content:

- Pillars of an academic/non academic career
- Transferable skills, career outside academia
- Professional and private goals
- How to brand yourself
- Networks
- Successful self-presentation

- Official rules and tacit knowledge within academia
- Life-Domains-Balance
- Time-Management

Goal: Take strategic decisions to start your (scientific) career after finishing your PhD.

Method: Input, discussion, reader

Trainer: Ute Riedler - Wissenschaftsberatung (www.uteriedler.at)
Free of charge
