### IMPORTANT!

Students eligible for a reduction can only make use of the reduced price **once**, and **only in the first semester of their stay** in Graz (that means, students arriving for the winter semester for the academic year receive the reduction only for the intensive course offered in September and cannot transfer the reduced price to February)! Students arriving for the summer semester receive the reduction only for the intensive course offered in February.

**Note:** Course levels depend on your result in the placement test. You need not take the placement test, if you can show a Goethe or ÖSD certificate and/or if you have taken a German course at *treffpunkt sprachen* before.
