

unikid & unicare-Pool

unikid & unicare offers services providing flexible (child)care arrangements as a support for the education/work-family balance to members of the University of Graz, the University of Music and Performing Arts Graz, Medical University of Graz as well as employees of the Joanneum Research Centre and the University of Applied Sciences FH Joanneum.

If you are looking for suitable and flexible (child)care options please send a notification including following information to unikid-unicare@uni-graz.at:

- number and age of the children or information about the person to be cared for
- desired schedule and start date of care
- residential area
- further essential information and desires.

The information about the carers is provided by means of profiles with contact details and the information about the request of the parents/legal guardians/relatives/carers with contact details is provided after feedback on the initially anonymously sent request.

The sitters' qualifications, working experience as well as special knowledge (language knowledge, learning supervision, medical knowledge, etc.) were determined in a preliminary interview. In addition to that, framework conditions regarding reliability when it comes to agreements of appointments, cancellation of appointments or the possibilities of getting in contact or meeting before the sitting takes place were communicated during the interview.

The unikid & unicare-Pool provides babysitting, childcare provisions, tutoring, pick-up services, visits, or support of adults or elderly family members according to individual needs and under a mutual agreement.

This intermediary service brings together sitters/carers and parents/relatives in a non-bureaucratically and quality-assured way.

unikid & unicare recommends an hourly fee from 9,50 € which can be adjusted to the required care/sitting frame conditions. For example caring for more siblings, caring for elderly, long distances, or the like.

unikid & unicare invites members of the unikid & unicare-Pool to events and further trainings on a regular basis and at no charge.

The unikid & unicare-Pool is a mere intermediary service. Communicating further arrangements on deadlines, payment, insurance and tax related regulations lies with the sitters/carers and the parents/relatives.

If you are interested in becoming a future unikid & unicare-Pool member, please send us your documentation to unikid-unicare@uni-graz.at and register for an interview.

This service is provided in accordance with our privacy policy, which can be found on <https://unikid-unicare.uni-graz.at/de/downloads/>.
