Topic 4: Supporting the individual learner in ULLL

IMPLEMENT – Implementing ULLL through training and development

By Carme Royo & Gemma Valls

European University Continuing Education Network (EUCEN)

Abstract

IMPLEMENT intends to support institutions in becoming real LLL-Universities by updating the existing BeFlex+ training materials with the goal of creating online courses for ULLL staff in 5 distinct areas:

- Exploring Diversity in University Lifelong Learning (ULLL)
- Curriculum in Partnership
- Implementing institutional change in University Lifelong Learning (ULLL)
- Recognition of Prior Learning (RPL)
- Regional Cooperation and Partnership in University Lifelong Learning (ULLL)

Project objectives

- To develop a sustainable set of online training tools for a wide use throughout Europe
- To use the material in training events for the development of university staff
- To cooperate with key university players for the materials' adaptation to national and regional needs
- To promote trans-national and trans-sectoral cooperation
- To exploit best practices on key LLL topics
