

Curriculum Vitae

Professor Michael FINUS

Office

Department of Economics
Karl-Franzens University of Graz
Universitätstrasse 15
8010 Graz

AUSTRIA

Tel: +43(0)316380-3450
E-Mail: Michael.Finus@uni-graz.at

Nationality: German

Languages: English (fluent) and German (native tongue)

Education

Habilitation, Economics, University of Hagen, Germany, 2005 (venia legendi in Economics)

Ph.D., Economics, University of Hagen, Germany, 2000 (summa cum laude, first honours)

Advanced Studies Certificate in International Policy Research, Institute of World Economics, Kiel, Germany, 1993

Master, Agricultural Economics, (Diplom-Ing.-Agrarwissenschaften) University of Giessen, Germany, 1992 (first honours: 1.3)

Appointments

- 2018-present Professor in Climate and Environmental Economics, University of Graz, Austria; Deputy Head of Department; Chair of the Faculty PhD Curriculum Commission since Oct. 2019; PI Climate Change Graz; Honorary Professor, University of Bath, UK since 2018
- 2012-2018 Chair in Environmental Economics, University of Bath, UK
- 2014-2017 Head of Department
- 2013-2014 Director of Research
- 2009-2011 Associate Professor in Economics of Climate Change, University of Exeter, UK
- 2007-2009 Senior Lecturer, University of Stirling, Scotland; Director of two new Master Programmes in “Environmental Finance” and in “Energy Management”
- 2005-2007: Associate Professor in Economics (“Privatdozent”), University of Hagen, Germany
- 2006: Visiting Fellow (6 months), National University of Singapore (on leave from University of Hagen)
- 2000-2005: Assistant Professor in Economics (“Wissenschaftlicher Assistent”), University of Hagen, Germany
- 1994-2000: Research Associate in Economics (“Wissenschaftlicher Mitarbeiter”), University of Hagen, Germany
- 1989-91: Research Assistant, Department of Agricultural Policy and Market Research, University of Giessen, Germany
- 1988-89: Project Assistant (nine months), Agriculture and Nutrition Department, BASF Ireland Ltd., Dublin, Ireland

Teaching

Teaching Interests

Environmental and Resource Economics, Microeconomics, Public Economics, Public Choice, Game Theory, Industrial Organization and Institutional Economics.

Teaching Experience

University of Graz, Austria (2018-present)

Spring 2022: Environmental and Resource Economics (320.780), Master, 1 lecture and 1 tutorial per week; Doctoral Colloquium (320.541/546/551), 1 seminar per week, shared with Jörn Kleinert;

Research Seminar (320.526/531), PhD programme, 1 seminar per week, shared with Jörn Kleinert; Microeconomics (320.110), Bachelor, 1 lecture/tutorial per week.

Autumn 2021: Environmental Economics (320.383), Bachelor, 1 lecture/tutorial per week, Environmental Economics (320.783), Master, seminar, 1 session per week; Economics of the Environment (320.387) Bachelor, dissertation supervision, Doctoral Colloquium (320.540, 320.545 & 320.550), 1 session per week, shared with Karl Steininger.

Spring 2021: Environmental and Resource Economics (320.780), Master, 1 lecture and 1 tutorial per week; Economics of the Environment (320.387), Bachelor, dissertation supervision, shared with Gabriel Bachner; Economic Modelling (320.517 & 320.518), PhD programme, 1 lecture and 1 seminar per week.

Autumn 2020: Environmental Economics (320.383), Bachelor, 1 lecture/tutorial per week, Environmental Economics (320.783), Master, seminar, 1 session per week; Economics of the Environment (320.387) and Public and Institutional Economics (322.363), Bachelor, dissertation supervision.

Spring 2020: Environmental and Resource Economics (320.780), Master, 1 lecture and 1 tutorial per week; Economics of the Environment (320.387), Bachelor, dissertation supervision, shared with Gabriel Bachner; Economic Modelling (320.517 & 320.518), PhD programme, 1 lecture and 1 seminar per week.

Autumn 2019: Environmental Economics (320.383), Bachelor, 1 lecture/tutorial per week, Environmental Economics (320.783), Master, seminar, 1 session per week; Economics of the Environment (320.387), Bachelor, dissertation supervision.

Spring 2019, Environmental and Resource Economics (320.780), Master, 1 lecture and 1 tutorial per week; Economics of the Environment (320.387), Bachelor, dissertation supervision, shared with Gabriel Bachner; PhD Research Seminar (320.115), shared with Jörn Kleinert; Economic Modelling (320.517 & 320.518), PhD programme, 1 lecture and 1 seminar per week.

Autumn 2018, Environmental Economics (320.383), Bachelor, 1 lecture/tutorial per week), Environmental Economics (320.783), Master, seminar, 1 session per week.

Spring 2018, Environmental and Resource Economics (320.780), Master, 1 lecture and 1 tutorial per week.

Supervision PhD students: Viktoria Rohrer since December 2018; Valeriia Chukaeva since February 2021. External Examiner of PhD dissertation: Irina Bakalova, University of Leuven, 2019; Miriam Jafroudi, University of Tilburg, 2020, Di Mu, University of Exeter, 2022.

University of Autonoma, Madrid Spain (Spring 2018)

Industrial Economics - An International Approach. Master in International Economics (2 lectures per week, course and examination shared with Felix Munoz).

University of Bath, UK (2012-2018)

Autumn 2012 & 2013: ES10010 "Introductory Economics and ES 10001 "Introductory Microeconomics" (2 lectures per week, course and examination shared with John Sessions).

Spring 2012, 2013, 2014, 2015: ES30032 "Natural Resource and Energy Economics" (2 lectures and one tutorial per week)

Spring 2012, 2014, 2015: ES50059 "Environmental Valuation & Resource Economics" (2 lectures per week).

Supervision of PhD students: Alaa Khourdajie 2013-2017; Vahakn Kabakia (part-time) since March 2012, Leyla Sayin 2013-2020 and Noha Nagi Elboghdadly 2015-2020. MPil: Mugdha Malik 2014 and Samuel Samson, MPhil, University of Exeter, 2016. External Examiner of PhD dissertations: Pricilla Marimo (University of Exeter) in 2014, Stine Aakre (University of Oslo) in 2015, Chung-Fung Chen, Department of Politics and Languages (University of Bath) in 2015, Adam Walker (University of Wageningen) in 2016 and Yuhu Zeng (Free University of Amsterdam) in 2016.

University of Exeter, UK (2009-2011)

Autumn 2011: BEE3047 “Public Economics I” (2 lectures and one tutorial per week), Contribution to BEM 3016 “The Business of Climate Change” (1 lecture), BEMM807 “Economics for a Sustainable World” (3 lectures per week), course and examination shared with Robin Mason.

Spring 2011: BEE 3048 “Public Economics II” (2 lectures and one tutorial per week).

Autumn 2010: BEE2024 “Economic Principles and Policy” (2 lectures per week); Contribution to BEM 3016 “The Business of Climate Change” (2 lectures), BEMM734 “Business Economics” (One Planet MBA; 3 lectures per week) and BEMM703 “Understanding the Global Economy” (Modular MBA; 4 days) course and examination shared with Robin Mason.

Spring 2010: BEE 3048 “Public Economics II” (2 lectures and 1 tutorial per week); BEE2021 “Policy Issues on the Global Economy” (2 lectures and 1 tutorial per week), course and examination shared with other staff members.

Autumn 2009: BEE2016 “Intermediate Microeconomics” (2 lectures per week) course and examination shared with Christos Kotsogiannis; Contribution to BEM 3016 “The Business of Climate Change” (1 lecture).

External examiner of the PhD dissertations of Miyuki Nagashima, Department of Social Sciences, University of Wageningen, The Netherlands (viva March 2010); 2nd supervisor of the PhD thesis of Raoul Schneider, Department of Economics, University of Ulm, Germany (viva July 2011, summa cum laude); supervision of 8 Master dissertations between Sep. 2009-Dec. 2011.

University of Stirling, UK (2007-2009)

Spring 2009: ECN3NV “Environmental Economics” (2 lectures and one tutorial per week), course and examination shared with other staff members; ECN112 “Introductory Macroeconomics” (2 tutorials per week).

Autumn 2007, 2008, 2009: ECN311 “Advanced Microeconomics” (3 lectures and 3 tutorials per week), course and examination shared with Frans de Vries.

Autumn 2008: ECN111 “Introductory Microeconomics” (3 tutorials per week).

Autumn 2007: ECN3T “Topics in Applied Economics” (4 lectures and 4 tutorials), course and examination shared with other staff members.

Spring 2008: 4 lectures in the Scottish Doctoral Programme & Master’s Degree in Economics.

Supervision of two MSc dissertations in the Scottish Doctoral Programme & Master’s Degree in Economics; external referee of the PhD thesis of Yulia Pavlova, Department of Mathematical Information Technology, University of Jyväskylä, Finland (viva December 2008).

University of Hagen, Germany (1993-2007)

Teaching, conducting seminars, examination and supervision of master dissertations (more than 90 dissertations; 2005: 30, 2006: 25, 2007: 8) in the position as Research Associate (1993-2000), Assistant Professor (2000-2005) and Associate Professor (2006-2007) in the field of environmental & resource economics, general economics and economic theory; teaching in the interdisciplinary programme “Umweltwissenschaften infernum” (University of Hagen and Fraunhofer Institute); supervision of the Ph.D. thesis of Juan Carlos Altamirano-Cabrera at the University of Wageningen, The Netherlands, 2002-2007 (viva 2007, first honors).

National University of Singapore (2006)

Teaching (2006, one semester) the undergraduate course EC3383 “Environmental Economics” (including 4 tutorials per week) and the graduate course EC5383 “Economics of the Environment”, including examination.

University of Wageningen, The Netherlands (2000-2001)

Part-time teaching “Environmental Economics I” (undergraduate) with focus on policy instruments and “Environmental Economics III” (graduate) with focus on international environmental problems, including examination (shared with other staff members).

University of Lüneburg, Germany (1994-1999)

Part-time teaching (4 days per annum) on the Graduate Programme of "Higher Education" in the field of environmental economics, including examination.

Summer Schools/Guest Lectures

4 (online) Guest Lectures on "Game-theoretic Analyses of International Climate Agreements", 6th -7th July, 2021, Xiamen University, China.

Lectures on "Climate Change Negotiations", European Summer School in Resource and Environmental Economics organized by the European Association of Environmental and Resource Economists (EAERE) and Fondazione Eni Enrico Mattei (FEEM) in Venice, Italy (July 2010)

Lectures on "Game Theoretic Analyses of International Environmental Agreements", Ph.D. programme, Venice International University, Italy (May 2004), including examination

Lectures on "Game Theory and the Environment", International Summer School organized by the Institute of Mathematics and Game Theory, University of Genoa and Fondazione Eni Enrico Mattei (FEEM) in Lavagna, Italy (September 2002)

Lectures on "Game Theory and Coalition Formation in International Pollution Control", Ph.D. programme "Environmental and Resource Economics", University of Heidelberg, Germany (November 2002)

Lectures on "The International Dimension of Environmental Economics", European Summer School in Resource and Environmental Economics organized by the European Association of Environmental and Resource Economists (EAERE) and Fondazione Eni Enrico Mattei (FEEM) in Venice, Italy (July 2000)

Research

Research Interests

Environmental and Resource Economics, International Environmental Agreements, Institutional Economics, Public Economics, Public Choice and Game Theory.

Research Visits

- 2018 Université Paris-Est, Marne-la-Vallée, Paris (2 weeks)
- 2018 Department of Economic Theory, University of Autònoma, Madrid (3 months)
- 2017 Institute of Public Policy, Madrid (2 weeks) and INRA, Paris, (1 week)
- 2016 Institute of Public Policy, Madrid (2 weeks) and University Dauphine, Paris (1 week)
- 2014 Institute of Public Policy, Madrid (1 week) and University Dauphine, Paris (1 week)
- 2013 Institute of Public Policy, Madrid (2 weeks plus 1 week), University Dauphine, Paris (1 month), Institute Henri Poincaré, Paris, (1 month)
- 2011: Department of Economics, University of Bordeaux, France (1 month)
- 2010: Smith School, University of Oxford, UK (1 week)
- 2007: Department of Economics, University of Algarve, Faro, Portugal (3 weeks)
- 2004: Department of Economics, University of Leuven, Belgium (3 months) and Fondazione Eni Enrico Mattei (FEEM), Venice, Italy (2 weeks)
- 2000-2001: Department of Social Sciences, University Wageningen, The Netherlands (3 months)
- 1997: Department of Economics, University of Bergen, Norway (2 months)

Referee (since 2000)

Journals (171 reviews): American Economic Review (1), Review of Economic Studies (1), The Economic Journal (1), Journal of Economic Literature (1), Oxford Economic Papers (7), Journal of Political Economy (1), European Economic Review (8), Journal of the European Economic Association (1), Journal of Economic Behavior and Organization (2), Games and Economic Behavior (3), Public Choice (2), Journal of Public Economics (11), Rand Journal (2), Journal of International Economics (1), Scandinavian Journal of Economics (2), Journal of Risk and Uncertainty (1), *Economica* (1), Journal of Public Economic Theory (5), Economic Letters (1), European Journal of Political Economy (5), Journal of Institutional and Theoretical Economics (2), International Tax and Public Finance (1), Scottish Journal of Political Economy (1), European Journal of Operational Research (1), Theory and Decision (1), Review of Economic Design (2), Central European Journal of Operations Research (1), Annals of Operations Research (1), Games (1), Journal of Applied Economics (1), Economic Modeling (1), Review of International Organisations (2), B.E. Journal of Economic Analysis & Policy (1), Research in Economics (1), Economics Research International (1), Contemporary Economic Policy (1), Portuguese Economic Journal (1), Journal of Behavioral and Experimental Economics (1), Economics Bulletin (1), *Jahrbücher für Nationalökonomie und Statistik* (1), Journal of Environmental Economics and Management (21), Journal of the Association of Environmental and Resource Economists (2) Environment and Development Economics (5), Ecological Economics (3), Energy Economics (3), Resource and Energy Economics (4), Environmental and Resource Economics (30), Natural Resource Modeling (2), Letters in Spatial and Resource Sciences (2), Journal of Environmental Management (1), Journal of Environmental Economics and Policy Studies (2), Energy Journal (The International Journal) (1), Strategic Behavior and the Environment (2), International Environmental Agreements (4), International Review of Environmental and Resource Economics (2), Ecological Economics Review (1), Climate Policy (2), *Zeitschrift für angewandte Umweltforschung* (1), Political Studies (1), Political Sciences (1), European Union Politics (1), British Journal of Political Science (1).

Books: International Yearbook of Environmental and Resource Economics (2 articles), Edward Elgar (1 article), MIT (1 book), Cambridge University Press (2 books).

Research Proposals: ESRC (2 reports), Research Council of Canada (3 proposals), CliSAP, University of Hamburg (1 proposal), Academy of Finland (1 proposal), Ministry of Education and Research” Germany (10 proposals), French Foundation for Research on Biodiversity (1 proposal), Portuguese Foundation for Science and Technology (1 proposal), Leverhulme Trust (2), Netherlands Research Council NOW (1 proposal), VW-Stiftung (23 proposals), DFG (4 proposals) and SEEK, ZEW Mannheim (1 proposal), First Order Draft (FOD) of the Working Group III (WGIII) Contribution to the IPCC Sixth Assessment Report (AR6).

Scientific & Appointment Committees/Board Membership/Editorship/ Conference Organisation

External: Member of the Scientific Panel of various conferences of the Association of Environmental and Resource Economists: Southampton, 2001, Bremen, 2005, Kyoto 2006 (World Congress), Thessaloniki 2007, Amsterdam 2009, Rom 2011, Prague 2012, Toulouse 2013, Istanbul 2014 (World Congress), Zurich 2016, Athens 2017, Gothenburg 2018 (World Congress), Berlin 2020 & 2021, co-chair of scientific programme committee of the conference in Manchester in 2019; member of the Erik Kempe Prize Nomination Committee 2006-7; Member of the Scientific Panel of various conferences of the Spanish-Portuguese Association of Environmental and Resource Economists (AERENA): 2018 Madrid, 2021 Leida, Barcelona 2022. Member of the organisation committee for the Conference Game Theory and Practice, 2011, California, Riverside; member of the Editorial Board of Letters in Spatial and Resource Sciences (2007-2017) and Co-Editor of Environmental and Resource Economics (since 03/2012); lead-author of the IPCC Report 2014, Working Group III (2011-2014); external evaluator for two high level professorships, Department of Geography, King’s College, London, May 2013.

Selection Committee of the Joachim Herz Foundation the Research Prize “Best Contribution” (Junior Researcher) and “Best Lifetime Achievement” (Senior Researcher) in Environmental Economics 2022.

Internal: University of Stirling: SIRE Lectureship Search and Appointment Committee 2007; organisation of the Scottish wide SIRE-Young Research Forums 2008 at Stirling; University of Exeter: organisation of the “Environmental Protection and Sustainability Forum”, April 2011; University of Bath: organisation of the workshop “New Developments in the Theory of International Environmental Agreements”, ZEW, Mannheim and University of Bath, 27th-28th March 2014; organisation of the 2nd “Environmental Protection and Sustainability Forum”, 9th-11th April 2015; Member of the Policy Science Steering Group, Institute of Policy Research and co-convenor of the theme “Environment & Sustainability (together with C. Almer and P. Cooper 2013-2015); Member of the Board of the Institute for Sustainability Energy and the Environment (ISEE) 2014-2018; member of recruitment committee for numerous posts; 2017: chairing the recruitment committee for 3 Professors and 5 Senior Lectures/Associate Professors. University of Graz: member of recruitment committees for 2 Professors in 2019 and one Professor 2021-22; PI of Cluster of Excellence “Climate Change”; member of EconClim Wegener Center; organisation of the 3rd “Environmental Protection and Sustainability Forum”, 7th-9th April 2020 and the associated PhD Spring School, 5th-6th April 2020 (rescheduled for 2022 due to the Corona-pandemic); lead organizer of the EAERE Summer School 2021-2025.

Membership in Learned Societies

Member of the Scientific Society of German-speaking Environmental and Resource Economists (requirement for membership: proposal by members, scientific presentation, approval by members); 2008-2010 President-Elect of this Society (2010-2012, Past-President-Elect); member of the Association of German-speaking Economists (Verein für Socialpolitik), the European Association of Environmental and Resource Economists and the Spanish-Portuguese Association of Resource and Environmental Economics.

Scholarships/Prizes/Fellowships/Visiting Professorships

2022	“Visiting Professor”, University Gustave Eiffel (1 month)
2018	“Chercheur et chercheur invité 2018”, Université Paris-Est, Marne-la-Vallée, Paris (2 weeks)
2018	“Visiting Professor”, University of Autonomia, Madrid, Spain (3 months)
2014	Best Paper Award received from the Spanish and Portuguese Association of Environmental and Resource Economists for 2012-13. Shortlisted for the Best Paper Award of the Journal “Environmental and Resource Economics” in 2013.
2013	“Visiting Professor”, University Dauphine (1 month) “Visiting Professor”, Institute Henri Poincaré, Paris (1 month)
2010-2015	“Research Associate”, ZEW, Mannheim, Germany
2011	“Visiting Professor”, University of Bordeaux, France (1 month)
2010/11	“Visiting Fellow” Smith School, University of Oxford
2001	“Research Prize for Outstanding Doctoral Dissertation and Research”, University of Hagen
1997-1999	Three “Travel Grants” for young researchers by the “German Economic Association”
1997	“Ruhrgas Visiting Fellowship”, Department of Economics, University of Bergen (two months)
1992-1993	“Tuition Scholarship” for the Advanced Studies Program in International Policy Research, Institute of World Economics, Kiel

Commissioned Studies/Funded Research Projects

Aster Housing Association Climate Change Risk and Cost Diagnosis, joint project with 4 partners (£89,134, Bath: £14,962, PI), May 2014-March 2015.

University of Bath 2014: International Research Partnership Scheme £10,000; Faculty Support Funding Scheme £10,000 (together with C. Almer and P. Cooper).

EU-FP7, GLAMURS (Green Lifestyles, Alternative Models and Upscaling Regional Sustainability; 5 million Euro, Bath: 530.000 Euro, PI) consortium, January 2014 - December 2016.

EU-FP7, ECONADAPT (Economics of climate change adaptation in Europe; 5 million Euro, my buyout-time: £45.000) consortium, Oct. 2013-Oct. 2016)

“Mike Ashworth PhD studentship” for 3 years (£72,000) Nov. 2013-Nov. 2016.

Prize Fellowship (for a postdoctoral researcher) for 3 years (estimated worth £180,000) from the University of Bath in 2012.

Seedcorn Funding from the University of Exeter Business School for the Environmental Protection and Sustainability Forum, April 2011 (£23,500) and two smaller projects in 2011 (£2,000).

Expert Report on “The Low Carbon Economy in the Context of the Devon Economy”, Scientist’s Reports 129 and 130, 2010, together with D. Lash, A.D.S. Norton and J. Colmer, (Business School’s share £10.000)

Expert Report on “Perspectives of Economic Research on Climate Change” for the “Ministry of Education and Research” in Germany, 2009, 5.000 Euro.

Research Project on “Transfer and Abatement Allocation Schemes in International Environmental Agreements on Climate Change: An Economic and Game Theoretical Inquiry”, funded by the University of Wageningen (year: 2002-2006, duration: 4 years, project coordination with Prof. Ekko van Ierland), 250.000 Euro.

Contributions to CLIMNEG 2 Research Project, funded by the Belgian Federal Science Policy Office, contract CP/01/241, (year: 2004, duration: 3 months, together with Prof. Stef Proost and Dr. Johan Eyckman), 20.000 Euro.

Study on “Approaches to Foster International Environmental Agreements to Combat Global Pollution” for the “Advisory Board of the German Government on Global Warming” (year: 2000, duration: four months; co-author: Prof. Alfred Endres), 15.000 Euro.

Study on “The Level of Environmental Policy in the Presence of Interest Groups” for the Institute of World Economics, Kiel, Germany (year: 1995, duration: 6 months, co-author: Prof. Alfred Endres), 15.000 Euro.

Research Project on “Cooperative Solutions for International Environmental Problems: An Economic Analysis with Special Consideration of Interest Groups”, grant number II 69 982, funded by the Volkswagen-Foundation, Germany (year: 1994-1998, duration: 4 years, project coordinator: Prof. Alfred Endres), 150.000 Euro.

Study on “Environmental Indicators in the Agricultural Sector” for the Central Statistical Bureau of Germany (year: 1992, duration: 3 months, project coordinator: Prof. Roland Herrmann) 10.000 Euro.

Publications

Monographs

- 1) Der Reisekostenansatz – Darstellung, methodische Probleme und Anwendungsmöglichkeiten.¹ ”Materialien des Zentrums für regionale Entwicklungsforschung der Justus-Liebig-Universität Gießen”, vol. 24, Gießen, 1992.
- 2) Modellstudie zu umweltrelevanten Informationen aus der Agrarstatistik.² ”Studien des Zentrums für regionale Entwicklungsforschung der Justus-Liebig-Universität Gießen”, Gießen, 1994 (with G. Correll, C. Hagner and R. Herrmann).
- 3) Game Theory and International Environmental Cooperation. Edward Elgar, Cheltenham, UK, 2001.
- 4) The Economics of International Environmental Problems. Interdisciplinary Course „Umweltwissenschaften infernum“. Edited in collaboration between „Fraunhofer Institute Umwelt-, Sicherheits- und Energietechnik (UMSICHT)“ and University of Hagen, 2002 (with A. Endres).
- 5) Umweltökonomie: Arbeits- und Übungsbuch.³ Kohlhammer, Stuttgart, 2007 (with A. Endres, R. Bertram and B. Rundshagen).
- 6) Expert Report on “The Low Carbon Economy in the Context of the Devon Economy”, Scientist’s Reports 129 and 130, 2010, (with D. Lash, A.D.S. Norton and J. Colmer).

Contributions to Monographs

- 1) Umweltpolitische Zielbestimmung im Spannungsfeld gesellschaftlicher Interessengruppen: Ökonomische Theorie und Empirie.⁴ In: Siebert, H. (ed.), Elemente einer rationalen Umweltpolitik. Expertisen zur umweltpolitischen Neuorientierung. J.C.B. Mohr, Tübingen, 1996, pp. 35-133 (with A. Endres).
- 2) The Role of Environmental Awareness in International Pollution Control – An Economic Analysis. In: Kaufmann-Hayoz, R. and U. Haefeli (eds.), Ökologisierungprozesse in Wirtschaft und Verwaltung, No. 3/4, Proceedings of the Symposium ”Responsible Environmental Behavior”, September 4-6, 1996, Bern, 1997, pp. 74-82 (with A. Endres).
- 3) Eine spieltheoretische Betrachtung internationaler Umweltprobleme: Eine Einführung.⁵ In: Hampicke, U. and H. Nutzinger (eds.), Jahrbuch ”Ökonomie und Gesellschaft”, No. 14: Nachhaltigkeit in der ökonomischen Theorie, Campus, Frankfurt et al., 1998, ch. 9, pp. 239-300.
- 4) Renegotiation-Proof Equilibria in a Bargaining Game over Global Emission Reductions – Does the Instrumental Framework Matter? In: Hanley, N. and H. Folmer (eds.), Game Theory and the Global Environment, Edward Elgar, Cheltenham, UK, 1998, ch. 7, pp. 135-164 (with A. Endres).

Working Papers

- 1) An Almost Ideal Sharing Scheme for Coalition Games with Externalities. *Stirling Economics Discussion Paper No. 2009-10* (with J. Eyckmans). Completely revised version: A New Class of Welfare Maximizing Sharing Rules for Partition Function Games with Externalities, *Bath Economics Research Paper 6-2012* (with J. Eyckmans and Lina Mallozzi).
- 2) Learning by Investment in International Climate Change, *Bath Economic Research Papers 16/2017* (with Francisco Andre, University Computense, Madrid). **Revise and Resubmit Oxford Economic Papers.**
- 3) Strategic Climate Policies with Endogenous Plant Location: The Role of Border Carbon Adjustments. *Graz Economic Papers, GEP 2020-07* (with Noha Elboghdadly). **Revise and Resubmit Journal of Public Economic Theory.**

- 4) Enforcing Climate Agreements: The Role of Escalating Border Carbon Adjustments. Graz Economic Papers, GEP 2020-11 (with Noha Elboghdadly).
- 5) Team Formation in Coordination Games with Fixed Neighborhoods. Instituto de Políticas y Bienes Públicos (IPP) CSIC, Working Paper, 2020-04 (with Alejandro Caparrós, Esther Blanco and Philipp Buchenauer).
- 6) Non-Cooperative Climate Policies among Asymmetric Countries: Production- versus Consumption-based Carbon Taxes. Graz Economic Papers, GEP 2020-16 (with Noha Elboghdadly).
- 7) International Environmental Agreements and the Paradox of Cooperation: Revisiting and Generalizing Some Previous Results. Graz Economic Papers, GEP 2021-05 (with Francesco Furini and Anna Viktoria Rohrer). ***Submitted to Oxford Economic Papers.***
- 8) Global Climate Governance in the Light of Geoengineering: A Shot in the Dark? Graz Economic Papers, GEP 2022-02 (with Francesco Furini). ***Submitted to Journal of Environmental Economics and Management.***
- 9) The Governance Architecture of Climate Agreements in the Light of Risky Geoengineering (with Francesco Furini). Available at SSRN: <https://ssrn.com/abstract=4082787> or <http://dx.doi.org/10.2139/ssrn.4082787>

Presentations at Conferences, Workshops Seminars and Special Lectures (*italic = upon invitation/keynote, apart from presentations at seminars*)

Contributed paper to the "Conference of the European Economic Association", Maastricht, The Netherlands, September 3rd – 5th, 1994.

Presentation at the Economic Seminar at the University of Tsubuka, Japan, June 15th, 1995.

Presentation at the Economic Seminar at the University of Siegen, Germany, May 2nd, 1996.

Contributed paper to the "Conference of the European Association of Environmental and Resource Economists", Lisbon, Portugal, June 27th - 29th, 1996.

Contributed paper to the "Conference of the European Economic Association", Istanbul, Turkey, August 21st - 24th, 1996.

Contributed paper to the "Interdisciplinary Symposium on Responsible Environmental Behavior", Bern, Switzerland, September 3rd - 7th, 1996.

Contributed paper to the "European Public Choice Society Meeting", Prague, Czech Republic, April 2nd - 5th, 1997.

Contributed paper to the "Conference of the European Association of Environmental and Resource Economists", Tilburg, The Netherlands, June 26th - 28th, 1997.

Invited paper to the "Workshop on International Environmental Issues in Open Economies", St. Gallen, Switzerland, July 3rd - 4th, 1997.

Contributed paper to the "Conference of the European Economic Association", Toulouse, France, August 31st - September 2nd, 1997.

Presentation at the Economic Seminar at the University of Bergen, Norway, September 5th, 1997.

Presentation at the Economic Seminar at the University of Dortmund, Germany, January 21st, 1998.

Contributed paper to the "World Congress of the European and American Association of Environmental and Resource Economics", Venice, Italy, June 25th - 27th, 1998.

Presentation at the Economic Seminar at the University of Oldenburg, Germany, March 5th, 1999.

Contributed paper to the "International Institute of Public Finance (IIPF)-Conference", Moscow, Russia, August 23rd - 26th, 1999.

Contributed paper to the "Symposium on Operations Research", Magdeburg, Germany, September 1st - 4th, 1999.

Contributed paper to the "Conference of the International Atlantic Economics Association", Montreal, Canada, October 7th - 10th, 1999.

Presentation at the Economic Seminar at the University of Wageningen, The Netherlands, January 25th, 2000.

Lectures on "Environmental Economics" and Seminar on "International Environmental Problems", University of Wageningen, The Netherlands, January - February 2000.

Contributed paper to the "Conference of the European Association of Environmental and Resource Economics", Rethymnon, Crete, Greece, June 30th - July 2nd, 2000.

Lectures on "The International Dimension of Environmental Economics", European Summer School in Resource and Environmental Economics organized by the European Association of Environmental and Resource Economists (EAERE) and Fondazione Eni Enrico Mattei (FEEM), Venice, Italy, July 2000.

Contributed paper to the "Conference of the Verein für Socialpolitik", Berlin, Germany, September 19th - 22nd, 2000.

Contributed paper to the "Conference on Instruments for Climate Policy", University of Ghent, Ghent, Belgium, October 19th - 20th, 2000.

Invited paper to the "Coalition Theory Network Workshop", CORE, Louvain-la-Neuve, Belgium, January 26th - 27th, 2001.

Presentation at the Economic Seminar at the University of Wageningen, The Netherlands, February 8th, 2001.

Contributed paper to the "European Public Choice Society Meeting", Paris, France, April 18th - 22nd, 2001.

Lectures on "International Environmental Agreements", DFG Workshop, ZEW, Mannheim, Germany, May 18th - 19th, 2001.

Presentation at the Economic Seminar at the University of Tilburg, The Netherlands, June 21st, 2001.

Contributed paper to the "European Association of Environmental and Resource Economists", Southampton, UK, June 28th - 30th, 2001.

Contributed paper to the "American Association of Agriculture Economics", Chicago, USA, August 5th - 8th, 2001.

Contributed paper to the annual IIPF-Meeting, Linz, Austria, August 27th - 30th, 2001.

Keynote paper at the Workshop on "The International Dimension of Environmental Policy", Acquafredda di Maratea, European Science Foundation, Italy, October 6th - 11th, 2001.

Presentation at the Economic Seminar at the University of Hamburg, Germany, November 6th, 2001.

Lectures on "Game Theory and the Environment", International Summer School organized by the Institute of Mathematics and Game Theory, University of Genoa and Fondazione Eni Enrico Mattei (FEEM), Lavagna, Italy, September 2nd - 14th, 2002.

Lectures on "Game Theory and Coalition Formation in International Pollution Control", University of Heidelberg, Germany, Ph.D. program "Environmental and Resource Economics", November 13th - 14th, 2002.

Presentation at the Economic Seminar at the University of Hamburg, Germany, December 10th, 2002.

Invited paper to the CLIMNEG-Workshop on International Environmental Agreements, University of Leuven, Leuven, Belgium, March 14th, 2003.

Invited paper to the "Fourth EEP Plenary Workshop and EEP Conference" on "The Future of Climate Policy", Cagliari, Italy, March 27th - 28th, 2003.

Invited paper to the DIW Workshop on "International Institutions for Sustainability", Berlin, Germany, June 12th - 13th, 2003.

Invited paper to the DFG Workshop, ZEW, Mannheim, Germany, June 14th, 2003.

Contributed paper to the "European Association of Environmental and Resource Economists", Bilbao, Spain, June 28th - 30th, 2003.

Contributed paper to the "Conference of the European Economic Association", Stockholm, Sweden, August 20th - 24th, 2003.

Contributed paper to the "Conference of the German Economic Association (Verein für Socialpolitik)", Zurich, Switzerland, October 1st - 3rd, 2003.

Contributed paper to the "Conference of the German Association of Environmental and Resource Economists (AURÖ)", St. Gallen, Switzerland, April 30th - May 1st, 2004.

Presentation at the Economic Seminar at the Fondazione Eni Enrico Mattei, Venice, Italy, May 21st, 2004.

Lectures on "Game Theoretical Analyses of International Environmental Agreements", Ph.D. program, Venice International University, Italy, May 3rd - 7th, 2004.

Contributed paper to the "Conference on Sustainable Resource Use and Economic Dynamics" (SURED), Ascona, Switzerland, June 7th - 10th, 2004.

Contributed paper to the "European Association of Environmental and Resource Economists", Budapest, Hungary, June 25th - 28th, 2004.

Contributed paper to the "Conference of the Association of Public Economic Theory", Beijing, China, August 25th - 29th, 2004.

Contributed paper to the "Coalition Theory Network Workshop", Paris, France, January 28th - 29th, 2005.

Lectures on "Environmental Economics", University of Pecs, Hungary, February 24th - 25th, 2005.

Contributed paper to the "Conference of the German Association of Environmental and Resource Economists (AURÖ)", Leipzig, Germany, April 22nd - 23rd, 2005.

Contributed paper to the "Conference of the Association of Public Economic Theory", Marseille, France, May 16th - 18th, 2005.

Contributed paper to the "European Association of Environmental and Resource Economists",

Bremen, Germany, June 24th – 26th, 2005.

Contributed paper to the conference "The Design of Climate Policy" organized by CESifo and Venice International University, Venice, Italy, July 22nd - 23rd, 2005.

Keynote paper to the workshop "Global Public Goods Management: Lessons from Game Theory and Practice for Post-Kyoto Negotiations" organized by University Comptense de Madrid, Madrid, Spain, November 17th – 18th, 2005.

Presentation at the Economic Seminar at the University of Toulouse, France, December 15th, 2005.

Presentation at the Economic Seminar at the National University of Singapore, March 4th, 2006.

Keynote paper at the "6th Meeting on Game Theory and Practice", Zaragoza, Spain, July 10th - 12th, 2006.

Presentation at the Economic Seminar at the University of Bergen, Norway, December 7th, 2006.

Presentation at the Economic Seminar at the University of Frankfurt an der Oder, Germany, December 20th, 2006.

Presentation at the Seminar "Climate Change and Game Theory", University of Wageningen, The Netherlands, February 23rd, 2007.

Participation in the "Conference of the German Association of Environmental and Resource Economists (AURÖ)", Mannheim, Germany, May 4th - 5th, 2007.

Contributed paper to the "7th Meeting on Game Theory and Practice", Montreal, Canada, May 28th - 30th, 2007.

Presentation at the Economic Seminar at the University of Algarve, Faro, Portugal, June 14th, 2007.

Contributed paper to the "European Association of Environmental and Resource Economists", Thessaloniki, Greece, June 27th - 30th, 2007.

Lectures in the Ph.D. Programme at the Department of Economics and Management, University of Helsinki, Finland, October 2nd, 2007.

Keynote paper at the Workshop "Discounting and Uncertainty in International Agreements and How to Deal with Policy Recommendations?" Workshop organized by the NCCR Climate, Swiss Climate Research and the University of Bern, Bern, Switzerland, November 8th-10th, 2007.

Presentation at the Economic Seminar at the University of Edinburgh, Scotland, November 26th, 2007.

Presentation at the Economic Seminar at the University of Stirling, Scotland, November 27th, 2007.

Presentation at the Economic Seminar at the University of Bochum, Germany, January 15th, 2008.

Keynote paper at the "13th Coalition Theory Network Workshop", Venice, Italy, January 24th - 25th, 2008.

Lectures in the Scottish Doctoral Programme & Masters Degree in Economics, March 10th and 12th, 2008, University of Edinburgh, Scotland.

Presentation at the Economic Seminar in St. Andrews, Scotland, March 27th, 2008.

Presentation at the Public Debate "Challenges of Climate Change", organized by the Royal Society of Edinburgh, Edinburgh, Scotland, April 10th, 2008.

Presentation at the "Young Scholars Series SIRE", St. Andrews, Scotland, April 18th, 2008.

Contributed paper to the "Conference of the German Association of Environmental and Resource Economists (AURÖ)", Stuttgart Hohenheim, Germany, April 25th – 26th, 2008.

Invited paper at the Workshop "Environmental Policy and Technological Diffusion", Oslo, Norway, May 22nd - 23rd, 2008.

Contributed paper to the "Conference on Sustainable Resource Use and Economic Dynamics" (SURED), Ascona, Switzerland, June 2nd - 5th, 2008.

Presentation at the Economic Seminar in Potsdam, Potsdam Institute for Climate Impact Research, Germany, August 13th, 2008.

Presentation at the Economic Seminar, University of Lisbon (NOVA), January 30th, 2009.

Presentation at the Economic Seminar in Manchester, UK, March 3rd, 2009.

Organizing the "Conference of the German Association of Environmental and Resource Economists (AURÖ)", Vienna, Austria, April 24th – 25th, 2009.
