Fields of Study Overview:	University of Mostar is a public higher education institution, which organizes and performs university studies, scientific and professional work. It is one of eight public Universities in Bosnia and Herzegovina and the only one where Croatian is used as the official language. It consists of 10 faculties and the Academy of Fine Arts. Today, over 11000 students study at the University of Mostar. We would like to emphasize that the Study of Medicine at the University is conducted entirely in English, as well as the doctoral study of Civil Engineering, and we have joint degree PhD study and joint master degree studies with Austria and Slovakia.
