

GENERAL TERMS AND CONDITIONS

CONDITIONS OF PARTICIPATION

Our courses are open to regular students, co-registered students, international students, researchers and teaching staff at the University of Graz and other university educational institutions, employees of the University of Graz as well as external participants depending on the target group of the respective course and at the indicated course fee.

In courses with a limited number of participants, eligibility for the course is determined by the order of registration. Only those participants who have been granted a guaranteed place in the course and have paid the course fee are eligible to participate in language courses. **Participants may only attend the course once they have been granted a guaranteed place and have paid the course fee on time.** Teachers may not allow participants on the waiting list to attend the course.

Courses may only start if there is a certain minimum number of participants. *treffpunkt sprachen* reserves the right to cancel courses for the reason mentioned above or for other compelling reasons (e.g. illness of teacher). Naturally, in case of cancellation, any previously paid course fees will be refunded.

COURSE FEE

There is a different course fee for each language course depending on the type of course, the duration of the course and the target group. Course fees are indicated for each course and also include the costs for course materials (except for textbooks). The course fee must be paid by bank transfer. If the course fee has not been paid by the deadline, *treffpunkt sprachen* reserves the right to cancel the registration.

A service charge of € 5 is included in the course fee.

Course fees are only refunded when a course is cancelled. There is no discount for participants who join a course later during the semester.

DEREGISTRATION AND CHANGES

Participants can deregister from a course free of charge during the registration period via the respective registration platforms. Changes can be made only in the office of *treffpunkt sprachen*, if places are still available.

Participants who drop a course due to health problems or other reasons are not entitled to a refund of the course fee.
