

unikid-Info

motherhood in science

Exchange is good, networking makes you stronger!

Networking on motherhood & academia: this special edition of unikid-Info motherhood in science offers a platform for the German Network "Motherhood in Academia" and brings together (expectant) mothers* in science who like to exchange experiences.

- When?** 26th September 2024, 14:30h until 16h
- Where?** Conference Deck, [UNICORN](#), Schubertstraße 6a, 8010 Graz
- For whom?** (expectant) mothers* in science
- Moderation** Mag. Sonja Berger, MA
Workshop leader with a focus on "Parenthood in science"

INFO: Children are welcome to come along.

INFO: During this event flexible childcare can be used at the M.A.M.A. association, Attemsgasse 21. Members of the University of Graz and KUG Graz receive 10-hour blocks at a subsidised price.
For required documents please write an [e-mail to unikid & unicare](#).
