

Joint Research for Health

BioTechMed
GRAZ

What is BioTechMed-Graz?

BioTechMed-Graz is a research alliance of the University of Graz, the Medical University of Graz, and the Graz University of Technology that merges research activities at the interface of basic **bi**omedical science, **tech**nological developments and **med**ical/clinical applications with the aim of joining research for health.

What do we do?

Promotion of
young scientists

Funding of
excellent research
projects

Acquisition of
shared infrastructure

Support of
collaboration of
members

BioTechMed-Graz Programs

Flagship Projects

The aim of this initiative is to fund excellent inter-institutional network projects in one or more BioTechMed-Graz research area(s).

Young Researcher Group

The program supports the research of promising postdoctoral fellows within BioTechMed-Graz to launch  independent career in biomedical sciences.

Lab Rotation Program

The Lab Rotation Program offers master students the opportunity to get to know their laboratory of choice in preparation of a potential PhD education.

Best Collaborative Paper Award

This award honors outstanding, collaborative publications of BioTechMed-Graz members.

Joint Research for Health

Science Breakfast

This event ~~format~~ provides talks on topical scientific discoveries and social issues that are relevant for BioTechMed-Graz members.

Every first Wednesday of the month

Faculty Club

The Faculty Club offers all BioTechMed-Graz members a platform for interdisciplinary exchange and networking.

Every third Wednesday of the month

Nobel Lecture

This yearly event celebrates the outstanding contributions of Nobel laureates in the research fields of BioTechMed-Graz.

Yearly

Reden wir über Wissenschaft

This open discussion platform promotes the dialogue between scientists and the general public.

Quarterly

Membership?

Interested students and researchers can join BioTechMed-Graz as full or associate members. BioTechMed-Graz members are eligible to apply to our programs and have access to all BioTechMed-Graz events.

Membership is free of charge.
