Programme Highlights

Master in
Southeast
European
Studies

This **interdisciplinary English-taught programme** provides you with a deep understanding of the interconnection between **history, politics, law, economics**, and **culture** in Southeast Europe. Students can specialise in either **History** or **Law & Politics**.

Integrated Mobility

Expand your horizon with a mandatory mobility semester at one of our many partner institutions!

Winter School

Enhance your research skills at our winter school in Southeast Europe!

Career Paths

Take on a responsible position in SEE regional management or pursue an academic career as a doctoral candidate!
