

Welcome to the

JOINT INTERNATIONAL MASTER IN SUSTAINABLE DEVELOPMENT

Call for applications 2024

The English-taught programme brings together the expertise of eight partner universities worldwide. It approaches sustainability issues from an interdisciplinary perspective and offers specialisations from the natural and social sciences on the intensively debated topic of sustainable development.

BECOME A **SUSTAINABILITY CHANGE AGENT** AND GAIN VALUABLE INSIGHTS INTO CUTTING-EDGE SCIENTIFIC APPROACHES FROM DIFFERENT ACADEMIC AND (INTER)NATIONAL ASPECTS.

- 1 You acquire skills and competencies required for sustainable development and social transformation.
- 2 The programme provides for an integrated mobility semester (30 ECTS) at one of the partner universities as a mandatory requirement for graduation.

- 3 Possible specialisations include: **climate change, corporate sustainability management, innovation and transition management, environmental and resources economics, environmental change and ecosystems, or global development policy.**

**Join us at one of our
Q & A sessions!**

Monday, January 29, 2pm-3pm CET
Thursday, March 7, 11am-12pm CET

**Application deadline:
March 15, 2024 (23:59 CET)**
