

Welcome to the

JOINT DEGREE PROGRAMME OF THE JOINT INTERNATIONAL MASTER IN SUSTAINABLE DEVELOPMENT HIROSHIMA - LEIPZIG - GRAZ

Call for applications 2024

As part of the Joint International Master in Sustainable Development, there is the opportunity to follow a Joint Degree programme offered by the universities Hiroshima, Leipzig and Graz. This unique combination allows you to highly specify on different modules and specialisation tracks that are of interest to you. This Joint Degree programme provides for an integrated mobility (60 ECTS) as requirement for graduation and is offered entirely in English.

CHOOSE FROM THE FOLLOWING STUDY PATHS AND DISCUSS SUSTAINABILITY ISSUES FROM AN INTER-DISCIPLINARY PERSPECTIVE TOGETHER WITH YOUR FELLOW STUDENTS AND OUR INTERNATIONAL ACADEMICS.

Study Path Hiroshima University &
Leipzig University
