

# DigiBioTech: Artificial Intelligence for Sustainable Bioengineering

24.02.2026 | 13:00 – 19:00  
**HS Ulrich Santner**  
Kopernikusgasse 24, 8010 Graz

## Invited Speakers

### **Jin-Byung Park**

*Ewha Womans University, South Korea*

### **Romas Kazlauskas**

*University of Minnesota, U.S.A.*

### **Ariane Mora**

*Research Institute for Biomedical Artificial Intelligence  
of the Austrian Academy of Sciences*

### **Pedro Alejandro Sánchez Murcia**

*Medical University of Graz*

The TU Graz LEAD project *DigiBioTech* invites you to its upcoming symposium. Free participation; register by January 31, 2026, via [office.imbt@tugraz.at](mailto:office.imbt@tugraz.at). In collaboration with the Cluster of Excellence *Circular Bioengineering*.
