

Marie Skłodowska-Curie Actions at the University of Graz (Austria)

MSCA Postdoctoral Fellowship Workshop 2026

The **University of Graz** invites researchers to a **two-day intensive MSCA workshop on 16-17th June 2026**. Meet experts, the national Contact Points of MSCA in Austria, experienced researchers and evaluators! Get informed on MSCA and the University of Graz.

Special benefit: for all participants in our workshop who submit a proposal with the University of Graz as a host, we will reimburse costs associated with travelling to the workshop (up to 600€)!

Application: Send your CV and the name of your mentor to Harald Kleinberger-Pierer (see contact below). **Places for participation are limited! This call is open until the workshop is full!**

More information can be found at [Research Management and Services](#) at University of Graz.

The University of Graz Seal-of-Excellence Positions:

In addition, the University of Graz will fund up to three applicants that got rejected but received a **Seal of Excellence** (score min. 85%) with a temporary **PostDoc position** for resubmission. That way you can resubmit and have no gap of employment till you can (hopefully) start your fellowship a year later!

Support from the University of Graz for MSCA Proposals:

For all participants in the local workshop and for all others intending to submit with us as a host the **University of Graz** supports your application for a MSCA **Postdoctoral Fellowship (PF)** with Proposal Checks, an MSCA-Information package and other intensive support until the submission is complete!

An MSCA Fellowship provides you with a working contract for **12 – 24 months** at the host institution and extra funding for your mobility, family and training costs.

Eligibility for MSCA-PF and the MSCA workshop at University of Graz:

- You **have not lived** in **Austria** for over 12 months in the past 3 years prior to the deadline (September 2026)
- You have **successfully defended your PhD** at the call deadline (September 2026) and not more **than 8 years** of fulltime equivalent in research **since the PhD**, with few exceptions.
- Approval of a mentor** from the University of Graz. Find your mentor [here](#).

If you want to apply for the workshop, want to submit a proposal for an MSCA Fellowship with the University of Graz or if you need a suggestion for a possible mentor please contact:
