

GRAND OPENING THE LAB IS ALIVE

Join us for an open house filled with
interactive mini-workshops that show what
our new lab can do.

WHEN: 21.11.2025
From 14:00 until 16:00!

WHERE: PresentDead LAB
(Mozartgasse 14,
00250008)

WHO: Open to all curious
minds — students,
professors, researchers,
and the lab-curious!

FROM BONES TO BYTES, SEDIMENTS TO SEMANTICS!

**“The Bones Tell
All (Mostly)”**

A crash
course in bio-
anthropology.

**“Admin &
Conquer”
Project**

-management
doesn't have
to be a dark
art.

**“Dig It Up,
Shake It
Down!”**

Sediments
and secrets
beneath
your feet.

**“CTRL+Skeletal:
3D & GIS
Magic”**

Where
scanning meets
science.

**“Text Me,
Maybe?
History
Decoded”**

Old texts,
fresh takes.

**“PresentDead,
Long Live the
project!”**

Meet the PI
