

Newsletter 2/2017

Member Activities

- The planning conference of the executive board will be held 12-13th of May concerning the first research project concerning "*Innovation as challenge*". It is intended to focus on three selected social groups – on the colonists coming from the West, on the traders coming from the Balkans, and on the Greco-catholic community in Transilvania (after 1700) in comparison
- Data about more details to the board members can be got at the website by clicking the names

Member Publications

- Renate Zedinger, Marlies Raffler, Harald Heppner (eds.): Habsburger unterwegs. Vom barocken Pomp zur smarten Business tour. Graz 2017
- Dorin-Ioan Rus: Wald- und Ressourcenpolitik im Siebenbürgen des 18. Jahrhunderts. Frankfurt/Main 2017 (Neue Forschungen zur ostmittel- und südosteuropäischen Geschichte vol. 9)
- Ikaros Mantouvalos: From Monastir to Pest. Business and Bourgeois Identity of the Manos family (late 18th - 19th century). Athens 2016 (in Greek)

Member Calls

The members are asked to send some subjects for the next Newsletter (July) and for the further program of sog18 (use please: sog18@uni-graz.at)

Other

During April - Octobre 2018 in Graz (Universal Museum Joanneum) will be presented the exhibition "*We and Passarowitz [Požarevac]. 300 years of sustainability in Europe*". This exhibition intends to explain the large impact of the two treaties of Požarevac (Peace and Trade treaty) for past and present. Several programs in addition will complete the subject. More information in the Newsletter Octobre 2017.
