FUTURE EDUCATION Conference 2026

CALL FOR PAPERS

The **FUTURE EDUCATION Conference (FEC) 2026: Interdisciplinary Research Perspectives** accepts proposals within the field of **education, learning, development and teaching**. The interdisciplinary FEC offers an inspiring framework for the presentation and discussion of current scientific work on these topics.

We invite you to present your research at the FUTURE EDUCATION Conference in one of the following formats:

- Symposium
- Research Lecture
- Poster

Submit your contribution on: <https://www.conftool.com/fec2026>
