16th Annual Conference on European Tort Law

April 20 to 22, 2017 | Vienna (Austria)

Essential information on court practice and legislation in the area of tort law in 2016. Including a Special Session on 'Climate Change and Environmental Liability'.

ACET

Overview

The Annual Conference provides a unique opportunity for both practitioners and academics to discover the most significant tort law developments from across Europe in 2016. Experts from each of the many jurisdictions represented will present selected highlights from their contributions to the European Tort Law Yearbook, an annual volume which provides a comprehensive overview of legislative and judicial developments in tort law throughout Europe during the preceding year. (The Yearbook 'European Tort Law 2016' is going to be published in autumn 2017.) The national reports will be followed by an overview of EU law developments and a comparative, concluding summary, which will critically assess the most important trends and issues to emerge.

Thursday evening sees the Conference begin with an opening lecture, to be delivered by Pierre Widmer (Bern), and it concludes with a Special Session on 'Climate Change and Environmental Liability' on Saturday morning. The Conference provides many and varied opportunities for discussion and debate, both during the formal proceedings and the breaks and informal events.

HEURIGEN EVENING

Enjoy a casual get-together with your fellow participants and the Conference speakers, as well as the ECTIL/ETL team, on Friday evening (April 21, 2017) over Viennese wines and Austrian specialities.

The Viennese term *Heurigen* denotes both the wine harvested during the previous autumn and the local taverns where it is sold. Most of these inns can be found in picturesque villages set against the backdrop of vineyards at the edge of the Vienna Woods.

Price per person: € 39 (including food and beverages). If at all possible, early booking and payment would be much appreciated (ideally alongside Conference registration).

INSTITUTE FOR EUROPEAN TORT LAW AND EUROPEAN CENTRE OF TORT AND INSURANCE LAW

The European Centre of Tort and Insurance Law (ECTIL, an independent association), and the Institute for European Tort Law of the Austrian Academy of Sciences and the University of Graz (ETL) collaborate to produce the Yearbook and host the Conference. The results of their collaborative and independent research projects are published in their co-edited series, *Tort and Insurance Law* (de Gruyter). Further information is available at www.ectil.org and www.etl.oeaw.ac.at. ECTIL and ETL also provide institutional support for the European Group on Tort Law, whose core project is the drafting of Principles of European Tort Law (see www.egtl.org).

JOURNAL OF EUROPEAN TORT LAW (JETL)

The Journal of European Tort Law is a peer-reviewed publication and the first law review to be dedicated to the ever-changing, highly significant area of European tort law. The Journal appears in three volumes each year, published on behalf of ECTIL and ETL by de Gruyter. Following the Conference, the papers from the Special Session on 'Climate Change and Environmental Liability' will be published together in a special issue of the journal. For further information, see www.degruyter.com/jetl.
