SYMPOSIUM

Interdisciplinary and Transdisciplinary Research Addressing Important Societal Challenges – *Goals, Methods, Chances and Limits*

Friday, 8 November 2024

SMART REGULATION

**Unicorn
Conference Deck, 4th floor**

Schubertstraße 6a
8010 Graz – Austria

Program and Registration:
smart-regulation.uni-graz.at/symposium

Program

08:30 Arrival & registration, coffee

09:00 Welcome

Katja Corcoran, Brigitta Lurger, Organizing Committee

Johannes Zollner, Speaker Smart Regulation, University of Graz

09:10 – Marie-Pierre Granger, Simon Rippon (Central European University):

Thinking together about justice (Horizon 2020 Project ETHOS).

10:00 – Stefan Thalmann (University of Graz):

AI for All? Investigating the impact of Auto Machine Learning tools from six disciplinary perspectives.

10:50 Coffee break

11:20 – Juliane Jarke (University of Graz):

Researching futures-in-the-making: Between sociotechnical imaginaries and regimes of anticipation.

12:10 Lunch

13:10 - PANEL DISCUSSION - Interdisciplinarity and third-party funding systems

- **Christof Gattringer**, President of the Austrian Science Fund FWF
- **Brigitta Lurger**, ERC Panel Member, University of Graz
- **Margit Noll**, Austrian Research Promotion Agency FFG, Head of Department European and International Programmes
- **Joachim Reidl**, Vice-Rector for Research, University of Graz

Moderator: **Katja Corcoran**, University of Graz

14:10 – Nikolaus Forgó (University of Vienna):

Can academic legal expertise contribute to the success of European research network projects and what does this mean for (basic) legal research? An interim assessment after 50 projects.

15:00 Coffee break

15:30 – Katja Corcoran (University of Graz):

What is energy citizenship? How interdisciplinary discourse enabled clarifying this concept and its impact for the energy transition (Horizon 2020 Project Energy Citizenship and Energy Communities).

16:20 – Jana Lasser (University of Graz):

From qualitative research to machine learning - leveraging an interdisciplinary collaboration to assess the effectiveness of counter speech interventions against hate speech.

17:10 Closing remarks
