

Welcome Events for mobility students

University of Graz
Summer Semester 2021

04 / 15-18 February 2021

Welcome Week includes the following events

Welcome Event Sessions listed below do not overlap with the German Intensive Course!
Participation in the welcome events is mandatory for all students!

- **REGISTRATION:** students complete the necessary steps for enrollment at the University and receive information on relevant procedures relating to their exchange stay, such as registration with Austrian authorities, residence permit (in case of full year stay), etc.
- **UNIGRAZonline:** students receive instructions on how to register for courses online as well as information on academic advising sessions.
- **ORIENTATION:** students receive information on various services available via different service points at the university (student union, language center, etc.)
- **HEALTH INSURANCE:** students receive support with sign-up for Austrian health insurance ÖGK. Sign-up is mandatory for all ISEP students both semester and full year stay as well as all non-EU/EEA full-year students. Two dates are available for the health insurance session depending on students arrival: 04 or 18 February 2022
- **RESIDENCE PERMIT:** non-EU/EEA full-year students receive support with the application for / retrieval of the Austrian residence permit.

In addition to these Welcome Week sessions, students will meet with academic advisors for the fields of study they are enrolled in to discuss questions regarding their intended courses, course registration, etc.
