

Welcome Events for mobility students

University of Graz
Winter Semester 2021/22

07-14 September 2021 - Welcome Week 1 for

- students arriving at the beginning of September
- students participating in the pre-semester German Intensive Course

15-21 September 2021 - Welcome Week 2 for

- all other students

You have selected the welcome week you want to participate in during the application process. The welcome week you selected is indicated in your Mobility-Online account.

Welcome Week includes the following events

Welcome Event Sessions listed below do not overlap with the German Intensive Course! Participation in the welcome events is mandatory for all students!

- **REGISTRATION:** students complete the necessary steps for enrollment at the University and receive information on relevant procedures relating to their exchange stay, such as registration with Austrian authorities, residence permit (in case of full year stay), etc.
- **UNIGRAZonline:** students receive instructions on how to register for courses online as well as information on academic advising sessions.
- **ORIENTATION:** students receive information on various services available via different service points at the university (student union, language center, etc.)
- **HEALTH INSURANCE:** students receive support with sign-up for Austrian health insurance ÖGK. Sign-up is mandatory for all ISEP students both semester and full year stay as well as all non-EU/EEA full-year students.
- **RESIDENCE PERMIT:** non-EU/EEA full-year students receive support with the application for / retrieval of the Austrian residence permit.

In addition to these Welcome Week sessions, students will meet with academic advisors for the fields of study they are enrolled in to discuss questions regarding their intended courses, course registration, etc.
