ACADEMIC WORK EXPERIENCE

Post-Doctoral Researcher — University of Graz

Graz, Austria – Present employer

Duties/Description: Post-doctoral researcher for four-year FWF-financed research project on ethics, philosophy of risk, and climate change.

Project:

Responsibility for Risks: Theory and Practice

Research Analyst — Trilateral Research Ltd

London, UK — October 2017 – August 2018

Duties/Description: Research, writing, and general preparation of ethics-related work packages and deliverables for EU-funded H2020 research projects. In addition, attending and organizing conferences and workshops in support of projects, as well as proposal writing for H2020 projects.

Projects and project-specific roles:

SIENNA (Stakeholder-informed ethics for new technologies with high socio-economic and human rights impact). Lead author of “SIENNA Ethical Monitoring Protocol” and “Stakeholder Analysis”; co-author of “State of the Art Review: AI and robotics”; “State of the Art Review: Human Enhancement Technologies”; “SIENNA Data Management Plan”. Special role (in addition to research): SIENNA Ethics Controller.

TITANIUM (Tools for the Investigation of Transactions in Underground Markets). Co-author of “Report on technical trends of Internet Organized Crime and Terrorism”; “General legal, societal, and ethical impacts of the TITANIUM tools”, “Assessment of ethical issues associated with implementing project Field Labs”. Special role (in addition to research): Ethics Advisory Board member.

Research Associate — University of Applied Sciences Vienna

Vienna, Austria — April 2016 – September 2016

Duties/Description: Research, writing, and preparation of a research project on corporate social responsibility for small- to medium-sized enterprises.

Project:

Sustainable, Strategic, and Opportunity-Oriented Management of SMEs

External Researcher — University of Graz, Institute for Philosophy (Political Philosophy Dept.)

Graz, Austria — July – August 2015

Duties/Description: Conducted research, edited and assisted in the drafting of two EU-funded project proposals. In addition, I prepared a final recommendation report about future projects for the Institute for Philosophy’s Political Philosophy Department.

Project Proposals:

SATE (Safe and trustworthy Cybersecurity Technologies for effective protection and promotion of citizens’ rights in digital Europe)

EUCOTTI (Enhancing the Understanding of Challenges and Opportunities in providing Trustworthy Technological Innovation)

Co-Teacher — Central European University

Budapest, Hungary — Fall Semester 2010/2011

Duties/Description: Lectured, prepared courses, and graded assignments and examinations for an M.A. course—*Constitutionalism and Democracy*—in political and legal theory.

NON-ACADEMIC WORK EXPERIENCE

Proofreader/Copyeditor — Dentons Europe LLP

Budapest, Hungary — May 2015 – July 2015

Duties/Description: Proofread and copyedited English language legal texts produced by the firm’s attorneys and Marketing Department.

Proofreader/Copyeditor — White & Case LLP

Budapest, Hungary — October 2014 – May 2015

Duties/Description: Proofread and copyedited English language legal texts produced by the firm’s attorneys and Marketing Department.
