

## Einladung zum Vortrag

**Dr. Vagner Carvalho Porto**  
(Universität Sao Paulo, Museum für Archäologie und Ethnologie)

### The archaeological site of Tel Dor, Israel

The presentation aims to present the archaeological site of Tel Dor, located in the Israeli coastal plain of the Mediterranean Sea. It is our intention to present the different phases of occupation that Dor received over the centuries and show the potential of coins for the understanding of the Roman city.

*A project on  
the Roman  
occupation of  
the city*
