

# **CURRICULUM VITAE OF ROBERT ZIMMERMANN**

## **Robert Zimmermann, PhD**

Fischergasse 23b

A - 8010 Graz

Austria

E-mail: [robert.zimmermann@uni-graz.at](mailto:robert.zimmermann@uni-graz.at)

## **Personal Data**

Date and Place of Birth: 07.01.1967, Leibnitz, Austria

Nationality: Austria

## **Education**

1986 Studies in Biology, Univ. of Graz, Austria  
1992-1994 Diploma thesis at the Inst. of Medical Biochemistry, Univ. of Graz  
1994 Graduation "Master of Science", University of Graz  
1994-1998 Ph.D. thesis at the Inst. of Medical Biochemistry, Univ. of Graz  
1997 Military Service  
07.05.1998 Graduation "Dr. rer. nat.", at the University of Graz

## **Career History**

1998-2002 Postdoc at the Institute of Biochemistry, University of Graz  
2002- Associate Professor at the Institute of Molecular Biosciences, University of Graz.  
2008 Habilitation in Biochemistry and Molecular Biology.

## **Grants**

The regulation of ATGL and its implications for lipolysis.  
(P18434, FWF, 2005-2008)  
Lipases in Monoacylglycerol and Retinylester Catabolism.  
(P21296, FWF 2009-2012)  
Molecular mechanisms regulating lipolysis.  
(GEN-AU, 2009-2012)  
PhD Training Program: DK Molecular Enzymology.  
(FWF, 2008-2011 and 2011-2014)  
Development of inhibitors for adipose triglyceride lipase.  
(TRP4, FWF, 2010-2013)  
Characterization of mice with tissue-specific deletion of monoglyceride lipase. (P24294, FWF, 2011-2014)
