

Curriculum Vitae of Dr. Karl Gruber, ORCID: 0000-0002-3485-9740

Personal Data

Born: 7.3.1968, Graz/Austria
Nationality: Austrian

Education

Undergraduate: University of Graz, 1986-1991, diploma in Chemistry
PhD thesis: University of Graz, 1991-1994, graduation *sub auspiciis praesidentis*

Positions & Scientific Activities

Present: Associate Professor at the Institute of Molecular Biosciences, University of Graz (since 01/2015)
Key Researcher at the K2 centre "ACIB – Austrian Centre for Industrial Biotechnology", Graz/Vienna/Innsbruck (since 01/2010)

Previous: Full professor for "computational biosciences" at the Institute of Molecular Biosciences, University of Graz (2009-2014)

Assistant professor at the Institute of Chemistry, University of Graz (2006-2008)

Key Researcher and Module manager at the Kplus center "Applied Biocatalysis" in Graz (2002-2009)

Habilitation in "Molecular Structural Biology" (2002)

Research associate at the Institute of Chemistry, University of Graz (1998-2002)

Postdoctoral fellow at The Scripps Research Institute, La Jolla, USA (1996-1998)

Awards

CPhI Pharma Award for Innovation in Process Development (2014)
Dr.-Wolfgang-Houska prize (2006)
APART-fellowship (Austria Academy of Sciences, 1999-2002)
Erwin-Schrödinger-Fellowship (FWF, 1996-1998)
Würdigungspreis of the Federal Ministry of Science and Research (1995)

Supervision and Training

Number of supervised PhD students: 10 graduated (1 ongoing)
Number of supervised MSc students: 15 graduated (4 ongoing)

Cumulated Third Party Funding (FWF, FFG, EU): ~3 Mio €

Bibliographic information: 148 publications in peer-reviewed journals, 4 patents, h-index = 33
