**Research Interests:** Molecular allergology, bacterial secretion systems, structural biology of large assemblies and molecular machines

### Scientific Education and Career History

**1977**                     High school degree at the BRG-II Lichtenfels, Graz  
**1978-1985**              University education in General Chemistry, University of Graz, Austria  
**July 1985**                M.S. in Chemistry (Mag. rer. nat.)  
**1985-1989**              PhD thesis at the Institute of Physical Chemistry, University of Graz, Austria  
**April 1989**              Ph.D. Graduation in Chemistry (Dr. rer. nat.), University of Graz, Austria  
**1989-1992**              Research Fellow (PostDoc) with Prof. Michael Rossmann at the Department of Biological Sciences, Purdue University  
**1992-1995**              Research Assistant with Prof. Tim Richmond at the Inst. für Molekularbiologie und Biophysik, ETH Zürich  
**1995-2003**              Assistent Professor, Institute of Chemistry, Karl-Franzens Universität Graz, Austria  
**October 2003**            Habilitation in Molecular Structural Biology (*Molekulare Strukturbiologie*)  
**2003-2008**              Associate Professor, Institute of Chemistry, University of Graz, Austria  
**Since 2008**              Associate Professor, Institute of Molecular Biosciences, University of Graz, Austria  
**November-December 2009**      Research stay (Sabbatical) at the Max Planck Institute of Biophysics, Frankfurt, with Prof. Werner Kühlbrandt

### Professional Awards and Honours

**1989-90**                     Erwin Schrödinger Stipendium  
**1995**                         Forschungsstipendium der Krebsliga des Kantons Zürich
