Camera ready abstracts of all oral and poster contributions are requested for inclusion in the Book of Abstracts of the 23rd Scientific Congress of the Austrian Pharmaceutical Society that will be held in Graz from 25 – 27 April, 2019. Use of these instructions will help to produce a homogeneous layout of the proceedings. This text is an example of format that must be used in your abstract. In order to be published in the Book of Abstracts, your abstract must reach the Organizing Committee **before 04 March, 2019 (extended)**.

Please send the file via e-mail to franz.bucar@uni-graz.at. Word is the main software we will use, but if this is unavailable, please provide a compatible file of your paper (compatible for Word 97 and following versions).

The abstract should contain the aim of the work, the applied methods, the main results and a conclusion. Statistical evaluation for pharmacological and clinical data is obligatory.

The abstract must be written in English and the standard font should be Times New Roman 12 pt except for the title (16 pt), affiliations (*10 pt, italic*) and references (10 pt). The name of the author presenting the contribution must be underlined. A standard length of one page is obligatory. Figures (of good quality) and Tables must be included in the text.

The page size is A4 and the following margins should be used: left 2.5 cm, right 2.5 cm, top page 2.5 cm, bottom 2.5 cm. The text must be typed using single space with full justification, page numbers should be omitted.

References must be noted as numbers in square brackets [1] and continuously numbered in the text in the order in which they are cited. At the end of the abstract, the reference list should be given in the style presented below [2].

1. Author1 A, Author2 C, Author3 E (2008) *Abbreviated Journal Title* 64: 123 – 129.
2. Author4 F, Author5 M (1997) *Book Title*, Edition, Publisher, Place of Publishing.
