

Graduate days “Exotic hadrons”

Speakers:

Claudia Patrignani (University of Bologna, Italy)

Alessandro Pilloni (University of Messina, Italy)

Eric Swanson (University of Pittsburgh, USA)

Institute of Physics, HS 05.12 (1st floor)
Universitätsplatz 5
8010 Graz

Do 1.6. 2023 13:00 - 18:30

Fr 2.6. 2023 09:00 - 17:00

Thursday, June 1

13:00 – 14:30: Talk + Discussion

Exotic hadronic states – 20 years later (I)

Claudia Patrignani

15:00 – 16:30: Talk + Discussion

An introduction to nonperturbative QCD

Eric Swanson

17:00 – 18:30: Talk + Discussion

Amplitude analysis for hadron spectroscopy (I)

Alessandro Pilloni

Friday, June 2

09:00 – 10:30: Talk + Discussion

Modelling exotic hadrons

Eric Swanson

11:00 – 12:30: Talk + Discussion

Amplitude analysis for hadron spectroscopy (II)

Alessandro Pilloni

14:00 – 15:30: Talk + Discussion

Exotic hadronic states – 20 years later (II)

Claudia Patrignani

16:00 – 17:00: Free discussion time
