

Graduate Days on Structure in Jets and Hadronic Final States

University of Graz, Institute of Physics, HS 05.12 (1st floor), Universitätsplatz 5

Thursday, January 25

13:30 – 15:00: Talk + Discussion

Parton Showers and Colour Coherence (I)

Jack Holguin

15:00 – 15:30: Coffee Break

15:30 – 17:00: Talk + Discussion

Hadronization and soft QCD (I)

Christian Bierlich

17:00 – 17:30: Coffee Break

17:30 – 19:00: Talk + Discussion

Measuring Jets and Hadron Correlations (I)

David Dobrigkeit Chinellato

Friday, January 26

9:00 – 10:30: Talk + Discussion

Parton Showers and Colour Coherence (II)

Jack Holguin

10:30 – 11:00: Coffee Break

11:00 – 12:30: Talk + Discussion

Hadronization and soft QCD (II)

Christian Bierlich

12:30 – 14:00: Buffet Lunch

14:00 – 15:30: Talk + Discussion

Measuring Jets and Hadron Correlations (II)

David Dobrigkeit Chinellato

15:30 – 16:00: Coffee Break

16:00 – 17:00: Free discussion time
