## Housing for refugee Ukrainian students

Graz, 11.03.2022

Dear students from Ukraine,

the association *Heimverein Austria* has decided to stand by the Ukrainians in this difficult time. We are an association constituted of Catholic student fraternities and we own a house in Graz, Austria. In this house there are apartments available. We offer these apartments to students from Ukraine who had to leave the country because of the war. For the first 12 months we provide the apartments free of charge, after that there is a possibility to rent them at a reduced rent. The accommodation is in shared flats. For example, a 100 m<sup>2</sup> apartment with 3 rooms in which there is room for up to 6 residents. The house is centrally located in Heinrichstraße directly in the student life of Graz and is mainly inhabited by students.

Graz is a student city with about 300,000 inhabitants and has four universities attended by about 50,000 students.

The offer is aimed at both men and women. Requirements are:

- Forced to leave the country due to the war in Ukraine
- Student or willing to study
- Over 18 years old

Relatives of students can be included in cases of hardship if the housing situation allows it.

The activities of the student fraternities in Graz will welcome you.
