

Invitation
to the

Symposium „Molecular Diagnostics & Personalized Medicine“

Oct 25th, 2-5 pm

8074 Raaba/Graz, Raiffeisen-Landesbank Steiermark, Raiffeisen-Platz 1

Organized by the Croatian Competitiveness Cluster for Personalized Medicine (CCCPM) &
Human.technology Styria (HTS)

Welcome:

Prof. Kresimir Pavelic (University of Rijeka & European Science Foundation) & Dr. Johann Harer (CEO
Human.technology Styria)

Keynote 1:

Prof. Kresimir Pavelic (University of Rijeka) about “Personalized Medicine for European Citizens”

Keynote 2:

Prof. Harald Sourij (Competence Center CB Med) about “Biomarkers in Personalized Medicine”

Keynote 3:

Prof. Gordan Lauc (Genos d.o.o., Vice President CCCPM) about „Molecular Diagnostics“

Keynote 4:

Prof. Christian Windpassinger (Medical University Graz) about “Molecular Analytics & Diagnostics”

Short talk:

Andreas Falk (BioNanoNet) about “Nanotechnologies in Medicine – Austrian Innovation Hub
BioNanoNet”

Discussion

Buffet and networking

Please register until Oct 19th via email to christoph.kurre@human.technology.at, providing your
name, company, and address.
