Master's Degree in English and American Studies
European Joint Master's Programme in English and American Studies

In memoriam Christoph Houswitschka (8.6.1961 - 10.2.2022)

It is with a heavy heart that we must share the sad news of the sudden passing of Prof. Christoph Houswitschka, one of the founding members of the European Joint Master's Programme in English and American Studies, on February 10th, 2022. Since the beginning, Prof. Houswitschka was a passionate supporter of the Joint Programme and his commitment was boundless. As the Academic Coordinator of the University of Bamberg, he was not only a very valued member of the core team, but he also played a significant role in the success of the programme. The cooperation with the partner universities was very important to him, and he took great pride in the number of international master's students in the programme and the diversity they have brought to the University of Bamberg over the years. Our thoughts are with his family, friends and dear colleagues at the English Literature Department and the Institute for English and American Studies of the University of Bamberg.
