

Alumni statements about the Programme

Tisja Dagers, MSc

Soil Advisor at Tauw – Sustainable Solutions for a Better Environment

“The Joint Programme Sustainable Development has given me an excellent overview of different aspects that can be studied regarding sustainability. Studying sustainability challenges in a different country (Italy) has broadened my horizon and given me further insight in how social, economic and ecological aspects interplay in management of coastal ecosystems.”

Entrance University: Utrecht University (graduated 2013)

Mobility Track: Integrated Coastal Zone Management, Ca' Foscari University of Venice
