

## *Alumni statements about the Programme*

### **Magdalena Kleinberger-Pierer, PhD**

Consultant at convelop cooperative knowledge design GmbH

*“Through the program I had the chance to meet amazing people from all over the world with various academic backgrounds and to gain new ideas and insights into sustainability in its various facets. I am still benefiting from this international, interdisciplinary “spirit”, the experience and the contacts I established. In particular, the courses on policy evaluation I attended during my exchange semester provided me with a valuable basis for my current work in the fields of research, technology and innovation policy evaluation.”*

**Entrance University:** University of Graz (graduated 2012)

**Mobility Track:** Environmental Governance, Utrecht University
