

Alumni statements about the Programme

Alessandro Vasta, MSc

Marie-Curie Research Fellow at the SUSPLACE project, Aveiro University

"I really enjoyed the program for its international and multidisciplinary environment, the quality of teaching and the practical focus of the final research project. It really stimulated me to think in a critical way about Sustainable Development and allowed me to gain hands-on experience to pursue a career in sustainability"

Entrance University: Utrecht University (graduated 2012)

Mobility Track: Sustainable Business Management, University of Graz
