

Newsletter 2/2023

Conference Information

The congress of the International Society for Eighteenth Century Studies (ISECS) with the main title **“Antiquity and the Shaping of the Future in the Age of Enlightenment”** will be held in Rome on 3th-7th of July, 2023.

SOG18 offers two program points

- Panel (on English)
“Antiquity in Southeastern Europe during the long Eighteenth Century”.
- Table ronde (on French/Italian)
Changements urbains dans les zones périphériques: Une comparaison interrégionale sur le long dix-huitième siècle/Cambiamenti urbani nelle aree periferiche: Un confronto interregionale nel lungo Settecento.

For 30th of May – 2nd of June, 2024, SOG18 will organize an international conference to **“The beginning of the secularization in Europe’s Southeast”**. The document “Call for papers” may be downloaded from the website. It is planned to publish the results in Yearbook N° 7 (2024).

Publications

Yearbook N° 5 (2022) with the title **“Landscape design in South Eastern Europe in the long 18th century”** may be visited with the link <https://unipub.uni-graz.at/sog18>.
