

HUMAN RIGHTS IN AFGHANISTAN

Global Campus
of Human Rights

Co-funded by
the European Union

Join us for this online panel discussion for the Global Campus network on the current state of human rights in Afghanistan, the role of the UN in the crisis, and the social responsibility of universities.

How can young people affect change towards the promotion of human rights in times of conflict?

How can we as a human rights education network respond to such crises?

SHAHARZAD AKBAR
