

HR Internship Talent and Leadership Development (m/f/d)

Premstaetten, Styria, Austria — ams-OSRAM AG

Bringing intelligence to light and passion to innovation

The ams OSRAM Group is a global leader in optical solutions. By adding intelligence to light and passion to innovation, we enrich peoples' lives. This is what we mean by Sensing is Life. Our around 24,000 employees worldwide focus on innovation across sensing, illumination and visualization to make journeys safer, medical diagnoses more accurate and daily moments in communication a richer experience.

Your new responsibilities

- You are eager to research for the best in class talent & leadership initiatives and trainings and help to develop our portfolio
- You support the change of our leadership culture into a state-of-the-art one
- You build up a talent and leadership intranet platform with diverse learning and exchange opportunities and other communications around it
- You support the promotion and succession planning process
- You support the design and set-up of talent and leadership trainings and materials
- You contribute to our good team atmosphere

What we look for

- Matura and/or student (Human Resources, Business Administration or similar)
- Process oriented and structured
- Very good Excel and PowerPoint skills
- Very good English and intercultural skills
- Additionally, it is FUN to work with you

We offer competitive salaries and additional benefits based on your performance, experience and qualification. The employment is in accordance with the collective salary and wage agreement for employees of the electrical and electronics industry, employment group A (http://www.feei.at/kollektivvertraege/kv_tabelle/). We offer a higher compensation depending on your expertise and skills.
