

Idea by Günther Jedliczka

Green. Building. Solutions.

Summer University, Vienna July 16 - August 7, 2022

First-hand ecological knowledge and engineering expertise bundled in a three-week program, taking place at the capital of energy-efficient building, Vienna. Think sustainable, take care of your future - now!

www.summer-university.net

→ Benefits

Earn 7 ECTS university credits while learning about the cutting edge in sustainable buildings within an interdisciplinary and cultural exchange. Theory is combined with practical exercises and a hands-on approach.

→ Learn from the best

International experts from universities, research institutions, and companies share latest developments from research and practice.

→ Best practice at hand

Buildings in Vienna showing the application of sustainable theories are presented as part of the course.

→ Try it yourself

Enjoy Vienna while living in a passive house.

→ Organizers

The **OeAD student housing**, winner of the 2013 Austrian Climate Protection Award, offers passive houses for active students and accommodates 2,500 international guests annually in innovative and energy-efficient student dormitories.

The **BOKU University of Natural Resources and Life Sciences, Vienna** teaches sustainable use of natural resources by connecting natural, engineering and economic sciences.

The **TU Vienna** focuses on the relationship of energy to the environment in architecture, urban planning, as well as natural and engineering sciences.
