

TEMPUS IV: FOSTERING ENTREPRENEURSHIP IN HIGHER EDUCATION (FOSENTHE)

The increasing global integration and rise of global market have created a tremendous need to strengthen and build teaching programs focused on the enterprise and entrepreneurship. Indeed, the EU is determined to foster entrepreneurial mindsets among young people. In the 2006 Spring European Council, the Commission clearly stated that Member States should reinforce entrepreneurship education at all levels. The need to create positive entrepreneurial climate and appropriate framework facilitating entrepreneurship as well as to promote entrepreneurship education was also emphasised.

Objectives:

- System-based research on entrepreneurship and innovation under the umbrella of sustainability
- Improvement of the teaching practice regarding entrepreneurship in higher education at large, as well as facilitating entrepreneurship fostering in practice
- Creation of the new e-course curricula in entrepreneurship at all levels of higher education
