

Searching for courses without login

1. Click on the following link: <https://online.uni-graz.at>.
2. In the upper-right corner, choose "EN".

The screenshot shows the top navigation bar of the website. On the right side, there are two language selection buttons: "DE" (highlighted in yellow) and "EN" (highlighted in red). Below the navigation bar, the main content area contains a message in German: "Müssen Sie diesen mit Hilfe eines PIN-Code abgelaufen ist, benötigen Sie". To the right of the message is a "Lokale Anmeldung" (Local Login) section with two input fields: "Benutzername" (Username) and "Kennwort" (Password). Below these fields are two buttons: "Anmelden" (Login) and "Weiter ohne Anmeldung" (Continue without login).

3. Click on "Continue without login".

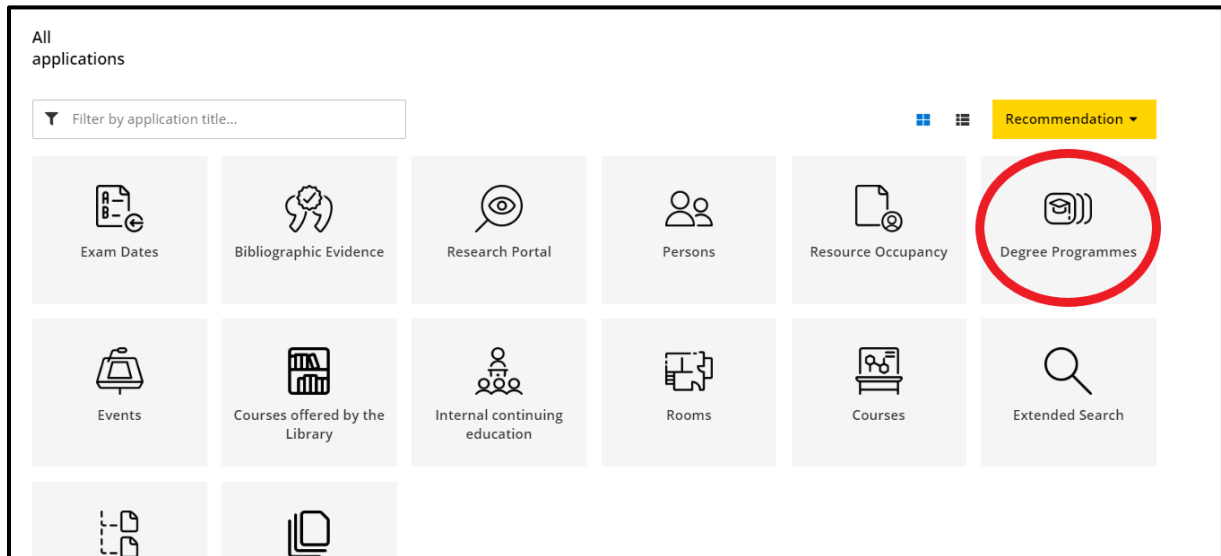

The screenshot shows the login page with the language selector set to "EN". The page title is "UNI GRAZ ONLINE". The main content area contains a message in English: "First time visiting? If you do not have an account yet (user name + password), you must create one with the help of your PIN code. Should you have forgotten your password or the PIN code has expired, you will also need a (new) PIN code." Below this message are two sections: "Students:" and "Staff:". The "Students:" section includes the text: "You can receive the PIN Code at your personal E-Mail Address using [Forgot your password?](#), OR Please pick up your PIN code personally in the [Office of Academic Affairs](#) or [Infopoint](#). Enter your PIN code here". The "Staff:" section includes the text: "Enter your PIN code here." To the right of the message is a "Local Login" section with two input fields: "User name" and "Password". Below these fields are two buttons: "Log in" and "Continue without login" (circled in red). Below the "Local Login" section is a "Shibboleth Login" section with a "Shibboleth" button.

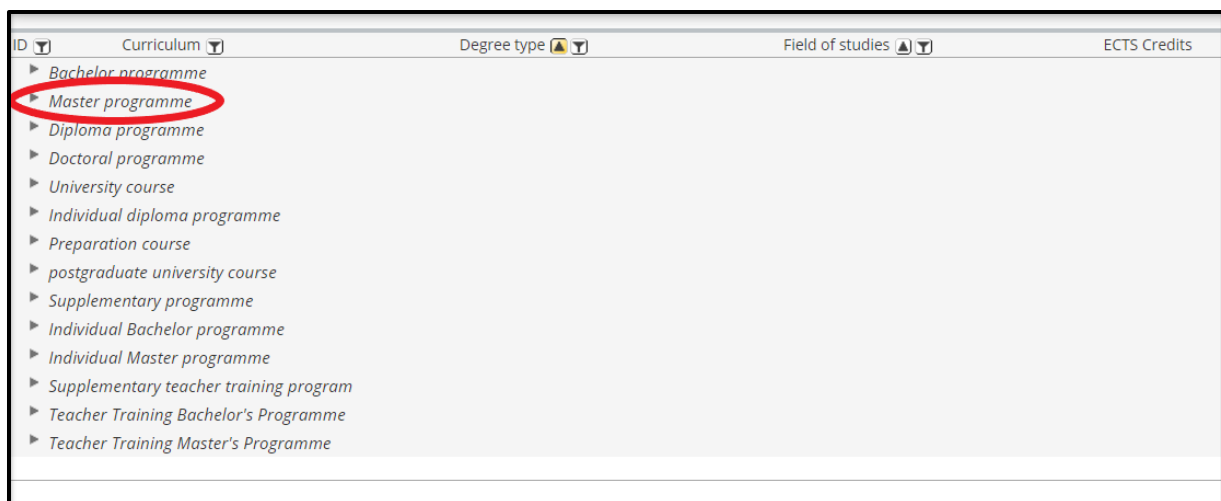

You now have two options to search for courses: under "Degree programmes" or "Courses".
