

Call for Papers PoCA 2022 Graz

19th Meeting on the Postgraduate Cypriot
Archaeology in Graz

1st - 3rd of December 2022

University of Graz, Meerscheinschlössl
Mozartgasse 3, A-8010 Graz
hybrid

The **Institute of Classics, Classical and Provincial Roman Archaeology at University of Graz** would like to invite all postgraduate researchers in all research areas on Cypriot archaeology to submit papers for another great conference meeting. The aim is to provide a forum in which participants can discuss the central themes of their research in a friendly and collegial environment. PoCA also offers an opportunity to meet people from the same research area and exchange current research questions, ideas and information. PoCA's main objective is the organization and publication of a conference by doctoral students for doctoral students and recent postdoctoral scholars (up to 6 years after completion of their PhDs).

As on-site meetings can be cancelled quickly, the hybrid form will allow us to switch to a fully on-line meeting if it becomes necessary to do so.

Please send your **paper proposal** with title, author's name, address and affiliation and an abstract with a maximum of **250 words** to **pocagraz2022@uni-graz.at** no later than **June 15th, 2022**. Communications should be 20 minutes long, followed by 10 minutes of discussion. The conference language is English.

We look forward to welcoming you in Graz!
