

WEBINAR SERIES

TEACHING IN THE DIGITAL CLASSROOM

This webinar series by the Center for Digital Teaching and Learning is targeted specifically towards English-speaking employees at the University of Graz and/or those who are teaching in English.

02 MARCH **ACTIVE BLENDED LEARNING
WITH MOODLE**

9 AM - 10 AM

The webinar includes the following topics:

- Active blended learning as a framework
- Designing a learning environment with Moodle
- Using Moodle for asynchronous teaching and learning
- Moodle template courses and how to use them

03 MARCH **SYNCHRONOUS
ONLINE TEACHING**

9 AM - 10 AM

The webinar includes the following topics:

- Challenges and opportunities of synchronous online teaching
- Social presence and methods to encourage community building
- Pedagogical models for synchronous online teaching
- Good practice to create interactive and collaborative synchronous online sessions

04 MARCH **STUDENT ENGAGEMENT AND
COLLABORATIVE LEARNING**

9 AM - 10 AM

The webinar includes the following topics:

- Foundations of learner engagement
- Fostering collaboration with Moodle (e.g., by using the Moodle activities “Glossary” and “Etherpad Lite”)
- Digital Icebreakers in the face-to-face classroom
- Increasing student engagement with Moodle (e.g., by using the Moodle activities “Feedback” and “H5P”)
